

Turtle Safe

If the earth begins to shake
What do we do for safety's sake
Get under a table and hold on tight
And everything will be alright

If there aren't any tables or you're outside
We have a different way to hide
Crouch on the ground and cover your head
Just like a turtle tucked up in bed

There'll be no need to cry or yelp
'Cause there's lots of people around to help
But you must practise what to do
Drop, cover and hold and you'll get through

Remember, Stan says, practise...

DROP

COVER

HOLD
